**How to find us**

To find us from Coppins Bridge roundabout in Newport, follow signs to the **Town Centre**. Follow **South Street** and take the first left into **Furlongs**, passing Cineworld. After 200 yards you will see the foyer of our building, **Mill Court** - we have two parking spaces at the side of the building. There is a long stay car park on the opposite side of St. Georges Way, once parked here you can cross over the road on foot using the walkway and through the Cineworld building. Short stay parking is available outside Staples. Enter Mill Court's main doors and take the lift or stairs to **floor level 1**. When you reach level 1 you will see signs which will lead you to our door.
